FROM OUR LEADERS

At HCVT, continuous improvement is part of our DNA. Each year brings new opportunities for everyone to learn from the triumphs and challenges we experience serving and supporting our clients, our communities, and each other. It is from this vantage point that we approach diversity, equity, and inclusion (DEI). As a firm, and as members of our communities, we are listening. We are learning. We are committed to being part of the way forward.

We are grateful to have celebrated milestones in 2023 that move our DEI initiatives forward, including recognition in the Vault Diversity rankings and partnering with organizations like the Alliance for Black Women Accountants and Cerritos College.

This brings us to another milestone in our firm's DEI journey—our first externally published DEI report! Accountability in DEI is important and goes hand-in-hand with making progress possible. We want to continue to ensure we are putting our words into action. This report is designed to provide our colleagues and external stakeholders with an update on the goals, objectives, and progress we have made. This edition will recap our activities from the inception of our formal committee in 2020.

We are committed to continuing on this journey and are honored to have so many of our team members work toward a shared goal of being a catalyst for positive change within HCVT and beyond.

COMMUNITY SERVICE

Committed to our Communities and Beyond

Our core values go beyond our firm and how we uphold ourselves in business - they extend to our communities and how we give back. Annually, HCVT hosts Getting Out for Good, a day of community service for all employees. Team members are encouraged to volunteer with partner organizations to support a number of causes, including veterans, animals, the unhoused, and the environment. Our employees are paid for their time away from the office because we see this as an investment in the broader community and an opportunity for the firm to directly contribute to causes that improve the lives of others.

Giving back and community service are year-round commitments at HCVT. We support organizations like the Ronald McDonald House, Alzheimer's Association, and Operation Gratitude to name a few. Many of our team members serve on nonprofit boards and share their skills and experience to help organizations achieve their mission.

We put our time, talent, and treasure to work in our communities. We believe together we can make a difference.

GLOBAL IMPACT

Natural Disasters and Humanitarian Aid

2023 marked a number of difficult events occurring around the world. HCVT believes that our opportunity to make a difference should extend beyond our firm. We partnered with a number of organizations in an effort to provide relief to causes such as the following:

- Turkey & Syria earthquakes
- Morocco earthquake
- Libya flood
- Maui fire (donation matching)
- Afghanistan earthquake

Earth Day

In 2023, HCVT made a donation to World Wildlife Fund to support the sustainable use of natural resources and the preservation of wildlife globally. As a member of Moore Global, the firm planted 100 trees across Africa, South America, and Asia with Treedom. Through this partnership, the trees were planted directly by local farmers to initiate environmental, social, and financial growth to their communities. We also implemented a reduction in single-use items firmwide by providing reusable dishware and utensils in all offices.

COMMUNITY SERVICE (continued)

The Longest Day

Each year, HCVT partners with the Alzheimer's Association in their annual Longest Day event during the summer solstice. The Longest Day serves to raise awareness and fundraise for those who are affected by Alzheimer's disease. Each activity is designed to educate our employees on ways we can work to prevent the onset of Alzheimer's.

In 2023, our firm participated in activities such as group and individual walks, solving puzzles, and even a ping pong tournament! The firm matched all donations that were fundraised for the Alzheimer's Association.

Hope in a Suitcase provides new luggage and new clothing, shoes, and other essentials to make children's transitions a little easier. Providing new items aims to remind children that their belongings deserve the same level of dignity as they do, no matter where they go.
