**HCVT Recipient of the California Society of Certified Public Accounts
CalCPA's 2018 Firm Public Service Award**

Los Angeles, CA, June 5, 2018— The California Society of Certified Public Accounts announced that Holthouse Carlin & Van Trigt LLP (HCVT) is one of the recipients of the CalCPA's 2018 Firm Public Service Award recognizing the firm's commitment to community service. The firm has an active community service committee led by Julie Miller, Business Management partner. She stated, "HCVT's diverse community service endeavors have allowed us to benefit a wide array of causes. While focused mainly on the urban areas surrounding our various offices, we have been able to help children, women, the homeless community, members of our military, animals, and those affected by natural disasters."

HCVT's *Getting out for Good* is their annual 2.5 week-long campaign that allows employees to choose from a wide variety of charitable opportunities in their local communities to volunteer for a day of service. Patty O'Connell, Chief Operating Officer, added, "We sincerely appreciate this recognition, and we are honored to help the organizations in our communities to realize their vision and mission. We know the need is great and we are humbled and inspired by these organizations that work tirelessly to improve the lives of those in need." To read more about the award click [here](#).

About HCVT

The firm provides tax, audit and assurance, business management, and mergers & acquisition services to private companies, closely-held businesses, public companies and high net worth individuals and family offices. The team consists of over 585 members, including over 100 partners and principals. HCVT serves its clients from eight offices in Southern California and offices in Northern California, Ft. Worth, Texas and Park City, Utah. The firm is highly specialized and focuses on specific industries and market niches.
