Isabel has over 15 years of experience in public accounting. Isabel provides tax consulting and compliance services primarily to middle-market, closely held businesses owners and investors. She serves clients in a wide range of industries, including real estate, manufacturing, distribution, professional services firms, private air charter business, and e-commerce business.

Isabel has extensive experience in multi-state tax compliance for individuals, corporations and flow-through entities. Her experience includes nexus, apportionment, group reporting, and flow-through entity withholding. In addition, Isabel has significant experience in transactional matters including tax due diligence and tax reporting related to both buy-side and sell-side transactions.

Isabel graduated *magna cum laude* from the University of California, Los Angeles with a bachelor's degree in International Economics, specialized in Latin America, and received her Masters of Business Taxation from the University of Southern California. She is a Certified Public Accountant in California.

Before joining HCVT, Isabel was with PwC and specialized in clients in real estate industry, including Real Estate Investment Trusts, sovereign wealth funds and other controlled entities of foreign governments.
