University, Northridge

Sam was admitted to the partnership in 2015 and has over 20 years of public accounting and private industry experience. He provides audit services for private companies in the Southern California marketplace. Sam serves clients in the manufacturing, retail and distribution industry sectors, as well as clients in the nonprofit, agriculture, technology, software, and professional services industries. In addition to providing audits, reviews, compilations and agreed upon procedures, Sam provides Service Organization Controls (SOC) audits across numerous industry sectors. Sam's experience also includes five years in private industry in the finance group of a public company. He was responsible for financial reporting to the Securities and Exchange Commission.

Sam received a bachelor's degree in business administration, with an emphasis in accounting from California State University, Northridge. He is a Certified Public Accountant licensed in the State of California. Active in his community, Sam is on the Advisory Council of DeMolay International, and through his involvement with Shriners International, he is an active supporter of the Shriners Hospital for Children in Los Angeles.
