Running a successful law practice has become increasingly more challenging, especially in these uncertain times. Changing business models, the need to leverage technology, partnership income allocations, multi-state and international tax issues, and managing cash flow are some of the issues facing law firms. Our clients range from boutique law firms to national firms with global operations. Our services include:

- Financial Reporting
 - Audit, Reviews, Compilations
 - Employee Benefit Plan Audits
- Income Tax Planning & Compliance
 - Prepare required federal and state tax partnership return filings
 - State composite filings
 - Quarterly estimated income projections
 - Year-end projection calculations
 - Timely delivery of K-1 schedules with appropriate disclosures
 - Consulting and reporting of partner retirement plans and benefits
- Review of law firm business activities to identify potential state income exposure
- Individual Income Tax Planning & Compliance
 - Preparation of quarterly estimated tax computations,
 - Required multi-state filings
 - Year-end tax planning
