Today's tax environment is constantly changing and has become increasingly complex, especially in California, and with the passage of the Tax Cuts and Jobs Act and the CARES Act. HCVT's tax professionals help you navigate the challenges and risks associated with this complex and overwhelming environment by providing innovative and fact-based solutions customized to your specific needs. Our tax practice has over 350 professionals with diverse backgrounds, including Big 4 experience, private industry experience, and tax attorneys. Our professionals are sought out by industry organizations, academic institutions, and the media to provide comments and clarity about today's most complex tax issues facing individuals and businesses. The cornerstone to our growth and our success is our focus on specific industries. In our recovering economy, this focus allows our partners and professionals to provide their clients with insights about issues critical to business owners and individuals—changes in tax legislation, managing risk, entity selection, restructuring, recapitalization, and financing options, to name a few. Whether your need is a federal, state & local, international, or estate and trust tax issue, our team has the experience and technical skills to provide the right answer.
