Isabel has over 19 years of experience in public accounting. She provides tax consulting and compliance services primarily to middle-market businesses, business owners, high-net-worth individuals, and investors. Her clients are in a wide range of industries, including real estate, manufacturing, distribution, professional services, private aviation, and e-commerce. She provides guidance and consulting for multi-state tax issues for her clients, such as nexus studies, apportionment, group reporting, and flow-through entity withholding. Isabel also serves companies and businesses seeking exit strategies or other liquidity events.

Isabel graduated *magna cum laude* from the University of California, Los Angeles with a bachelor's degree in Economics, with an emphasis in Latin American Studies, and received her Master of Business Taxation from the University of Southern California. She is a Certified Public Accountant in California. Isabel began her career in public accounting at PwC.
