Young University

Jared has over 15 years of public accounting experience providing tax compliance services to clients in the private equity industry sector. Jared focuses on optimizing tax technology tools and processes to help his clients with the compliance requirements for federal, state and local jurisdictions. He works internally and with his clients to tailor efficient compliance processes using HCVT's partnership compliance methodology. Jared has deep experience addressing complex partnership accounting and taxation issues. He has served clients in the entire fund cycle including sponsors, fund entities, management companies, and related fund vehicles. Jared also has experience serving clients in the real estate industry including developers and real estate operators.

Jared began his career in public accounting at KPMG. Jared received a bachelor's degree in accounting and a master's in accounting with an emphasis in tax from Brigham Young University.
