John brings over ten years of public accounting experience to his client engagements. He provides strategic tax consulting and compliance services to closely held businesses, partnerships, and high net worth individuals and their related entities. John serves clients in the real estate industry and has experience with all asset classes, including residential, multi-family, commercial, and industrial. John advises his clients on the tax complexities associated with real estate asset disposition, including IRC §1031 exchanges. In addition to serving clients in the real estate industry, John also serves the professional services, manufacturing, retail, and distribution industry sectors.

John attended California State University, Northridge earning both his undergraduate in accounting and a Master of Science in taxation. John is a member of the American Institute of Public Accountants.
