BS, Economics,
University of California,
Los Angeles

Jonathan has over ten years of public accounting experience and provides audit and assurance services to clients in the manufacturing, retail, distribution, and technology industry sectors. He also serves clients in the media and entertainment industry. In addition to providing financial reporting services, Jonathan performs agreed-upon procedures and internal control reviews. He has served clients in all phases of the business cycle ranging from start-up, rapid growth, to mature companies and business owners seeking exit strategies and other liquidity events. Jonathan is a member of the firm's Mergers & Acquisition practice, and his projects have included quality of earnings analysis, working capital analysis, post-closing adjustments, among others. He has experience in buy-side and sell-side transactions. Jonathan also has experience in private industry and served as a controller for a metals distributor. This experience, along with his public accounting experience, provides a balanced perspective addressing the needs of his clients.

Jonathan has a bachelor's degree in economics from the University of California, Los Angeles. He is a Certified Public Accountant and a member of the American Institute of Certified Public Accountants, the California Society of Certified Public Accountants and the Association for Corporate Growth.
