University of Southern
California

Vivian has over 15 years of public accounting and private industry experience. This experience includes providing tax consulting and compliance services to multi-national public companies and middle-market, closely-held businesses across a broad range of industries that include entertainment, technology, manufacturing, retail, and the distribution industry sectors. Her experience also includes accounting for income taxes in accordance with ASC 740, including the preparation and review of tax provisions, the drafting of required disclosures, and deferred tax asset studies. Additionally, Vivian served as a tax director at a public company in the entertainment sector. This experience, coupled with her experience in public accounting, allows her to provide a practical and balanced technical perspective to her clients.

Vivian began her career in public accounting at PwC. She is a graduate of the University of Southern California where she earned a bachelor's degree in accounting and a Master of Business Taxation. She is a member of the American Institute of Certified Public Accountants.
