Economics, California
State University, Los
Angeles

Cathy joined the firm as part of the merger of Dreyer, Robbins & Associates into HCVT, effective January 1, 2019. Cathy is a highly experienced accounting professional with over 34 years of public accounting experience. She provides comprehensive tax and business management services to high-net-worth individuals, families, and related entities. She focuses on providing solutions that help her clients meet their financial objectives. In serving her high-net-worth clients, she evaluates the tax implications arising from changes in assets and income, including the impact on the individual, the family, multi-generations, the business, investments, and the estate. More than tax and business management services, Cathy provides guidance and insight to help her clients protect their assets and preserve wealth.

Cathy also provides tax compliance and accounting services to clients in the entertainment industry. She performs industry-specific services, including accounting for loan-out corporations. These services encompass payroll, tax planning and compliance, and preparation of quarterly income tax estimates.

Active in her community, she has served on the executive boards of the Parent Teachers Association for both La Canada Elementary and La Canada High School 7/8. The La Canada PTA awarded her its Founders Day award for her contributions to the schools of La Canada Flintridge.
