Administration,
California State
University, Long Beach

Nancy has over 11 years of public accounting experience and specializes in state and local tax planning and compliance services. Her industry experience includes manufacturing, technology, and media industry sectors. Nancy has over four years of private industry experience serving as a state and local tax accountant and as a tax manager for the Americas, both with public companies. This experience, coupled with her background in public accounting, provides a balanced perspective addressing the needs of her clients.

Nancy began her career in public accounting at PwC. She holds a Bachelor of Science degree in business administration with an emphasis in accounting from California State University, Long Beach, and a Master of Business Taxation from the University of Southern California. Nancy is a member of the American Institute of Certified Public Accountants and a licensed Certified Public Accountant in California.
