Young University, *magna
cum laude*

Trevor is a tax manager in HCVT's Phoenix office with over five years of tax compliance and consulting experience. His services entail preparing and reviewing for corporations, flow-through entities, and individuals, primarily for the technology, real estate, and manufacturing, retail, and distribution industries. Trevor is also skilled at navigating the complex computations associated with income tax provisions (ASC 740) and has experience preparing and reviewing income tax provision calculations and disclosures.

Trevor graduated with honors and received a master's degree in taxation from Brigham Young University and has a bachelor's degree in accounting from Brigham Young University, *magna cum laude*. Trevor is a Certified Public Accountant in the state of Arizona and received recognition for being one of Arizona's Top 10 CPA Performers. He is also a member of the Arizona Society of Certified Public Accountants and began his career in public accounting at Deloitte.
